

JONATHAN TEMPLIN

CURRICULUM VITAE

Professor and E. F. Lindquist Chair
Department of Psychological and
Quantitative Foundations
University of Iowa
S210B Lindquist Center
240 South Madison St.
Iowa City, Iowa 52242

Office: (319) 335-6429
Email: jonathan-templin@uiowa.edu
URL: <http://jonathantemplin.com>

EDUCATION

Ph.D. in Psychology (Quantitative; 2004)

University of Illinois at Urbana-Champaign

M.A. in Psychology (2002)

University of Illinois at Urbana-Champaign

M.S. in Statistics (2002)

University of Illinois at Urbana-Champaign

B.A. in Psychology (*magna cum laude*; 1998)

California State University, Sacramento; Minor: Statistics

A.A. in General Studies (1996)

American River College; Sacramento, California

A.S. in Mathematics and Physical Science (1996)

American River College; Sacramento, California

ACADEMIC POSITIONS

University of Iowa

Department of Psychological and Quantitative Foundations

Professor and E. F. Lindquist Chair (January 2019 – Present)

University of Kansas

Department of Educational Psychology

Associate Department Chair (August 2017 – December 2018)

Professor (August 2017 – December 2018)

Associate Professor (January 2017 – July 2017)

Department of Educational Psychology Joint with Achievement and Assessment Institute

Associate Professor (January 2014 – December 2016)

Department of Psychology (Quantitative Program)

Assistant Professor (August 2005 – May 2007)

ACADEMIC POSITIONS, CONTINUED

University of Nebraska-Lincoln

Department of Psychology (Cognitive and Quantitative Program)

Associate Professor (August 2012 – December 2013)

The University of Georgia

Department of Educational Psychology Joint with Georgia Center for Assessment

Associate Professor (August 2011 – August 2012)

Assistant Professor (June 2007 – July 2011)

University of Illinois at Urbana-Champaign

Department of Educational Psychology (Quantitative Evaluation Program)

Visiting Assistant Professor (January 2005 – May 2005)

PATENTS

Templin, J. (2024). Techniques for diagnostic assessment (U.S. Patent No. 11,941,999; Inventor). U.S. Patent and Trademark Office. <https://ppubs.uspto.gov/dirsearch-public/print/downloadPdf/11941999>.

Templin, J. (2013). Method for estimating examinee attribute parameters in cognitive diagnosis models (U.S. Patent No. 8,550,822; Inventor). U.S. Patent and Trademark Office. <https://image-ppubs.uspto.gov/dirsearch-public/print/downloadPdf/8550822>.

Templin, J. (2009). Method for estimating examinee attribute parameters in cognitive diagnosis models (U.S. Patent No. 7,628,614; Inventor). U.S. Patent and Trademark Office. <https://image-ppubs.uspto.gov/dirsearch-public/print/downloadPdf/7628614>.

AWARDS

Robert L. Linn Memorial Lecture Award, 2017

- University of Colorado-Boulder and University of California-Los Angeles

Outstanding Contribution to Research in Cognition and Assessment, 2014-2015

- American Educational Research Association, Cognition and Assessment SIG.

Significant Contribution to Educational Measurement and Research Methodology, 2012

- American Educational Research Association, Division D. For Diagnostic Measurement: Theory, Methods, and Applications (Rupp, Templin, & Henson, 2010).

EDITORSHIPS AND ASSOCIATE EDITORSHIPS

Editorships:

- **Journal of Educational Measurement** (Co-editor; April 2016-December 2019)
- **International Journal of Testing** (Guest editor; November 2014 – March 2016)

Associate Editorships:

- **Behaviormetrika** (December 2020-Present)
- **Psychometrika** (August 2012 – March 2019)
- **Applied Psychological Measurement** (June 2012 – April 2016)
- **Guest Associate Editor: Psychological Methods** (August 2014 – September 2015)

EDITORIAL BOARD SERVICE

Editorial Board:

- **European Journal of Psychological Assessment** (July 2017 – Present)
- **Applied Psychological Measurement** (April 2016 – Present)
- **Educational Measurement: Issues and Practice** (January 2013 – Present)
- **International Journal of Testing** (January 2015 – June 2019)
- **School Psychology Quarterly** (January 2009 – December 2012)

CURRENT GRANT FUNDING

Co-Principal Investigator: University of Iowa Postdoctoral Training in Culturally Responsive Education Leadership Research (2022-2027). Institute of Education Sciences (R305B220014).

Co-Principal Investigator: Usable Measures of Teacher Understanding: Exploring Diagnostic Classification Models and Topic Analysis as Tools for Assessing Proportional Reasoning for Teaching (2018-2024). National Science Foundation, Discovery Research K-12 (DRL-1813760), \$316,995.

Co-Principal Investigator: Project DIMES: Diagnostic Instrument for Morphology of Elementary Students (2019-2024). Institute of Education Sciences (R305A190079), \$426,381.

PREVIOUSLY FUNDED GRANT PROPOSALS

Principal Investigator: Doctoral Dissertation Research: Multidimensional Nominal Response Models in Adaptive Testing (as Advisor to Catherine Mintz; 2021-2023). National Science Foundation, Division of Social and Economic Sciences (SES-2119912) \$11,994.00.

Co-Principal Investigator: Predictive Validity of GMAT Scores Focusing on Subgroup Differences. Graduate Management Admissions Council (2021-2022).

Co-Principal Investigator: Developing a Learning Map for Introductory Statistics (2016-2022). National Science Foundation, Division of Undergraduate Education (DUE-1544481) \$299,007.

Principal Investigator: Kansas Multi-Tiered Systems of Support and Alignment Item Review. (2019-2020, \$18,000).

Key Personnel: Design and Development of a Dynamic Learning Maps Alternate Assessment. United States Department of Education, Office of Special Education Programs (2010-2014, \$24,875,111). PI: Neal Kingston.

Principal Investigator: Development of Diagnostic Classification Models for Traumatic Brain Injury Diagnosis based on Event Related Potential Data (2013-2014). University of Nebraska Layman New Directions Program, \$10,000.

Principal Investigator: Collaborative Research: Longitudinal Diagnostic Models (2010-2013). National Science Foundation: Measurement, Methodology, and Statistics Program (MMS; SES-1030337), \$150,000.

Principal Investigator: Collaborative Research: Constrained Finite Mixture Models for Psychological Diagnosis and Educational Assessment (2007-2009). National Science Foundation: Measurement, Methodology, and Statistics (MMS; SES-0750859), \$260,000.

Principal Investigator: Constrained Finite Mixture Models for Psychological Diagnosis and Educational Assessment (2006). University of Kansas, New Faculty General Research Fund, \$8,000.

Co-Principal Investigator: Diagnosing Teachers' Multiplicative Reasoning (2008-2012). National Science Foundation: Discovery Research K-12 (DRK-12; DRL-0822064), \$944,163. PI: Andrew Izsák.

Co-Principal Investigator: Diagnosing AutoMentor: Virtual Mentoring and Assessment in Computer Games for STEM Learning (2009-2014). National Science Foundation: Division of Research on Learning in Formal and Informal Settings (DRL-0918409) \$2,080,693. PI: David Williamson Shaffer.

Co-Principal Investigator/Core Faculty: Georgia Measurement and Assessment Training – Postdoctoral Program (2008-2012). United States Department of Education, Institute of Educational Sciences (IES- R324B080006), \$596,652. PI: Randy Kamphaus.

Co-Principal Investigator: Assessing Middle School Students' Understandings of the Nature of Scientific Knowledge (2008). University of Georgia, College of Education, Large Collaborative Research Development Grant, \$11,900. PI: Julie Kittleson.

Key Personnel: An Adaptive Testing System for Diagnosing Sources of Mathematics Difficulties (2010-2013). United States Department of Education, Institute of Educational Sciences (IES-R305A100234) \$1,854,393. PI: Susan Embretson.

Key Personnel: An Interdisciplinary Conference on Assessment in K-12 Mathematics: Collaborations Between Mathematics Education and Psychometrics (2011-2012, \$389,386; DRL-1052618). PI: Andrew Iszák.

Key Personnel: Visual Attention in Aging: Bridging Experimental and Psychometric Approaches (2008-2012). National Institutes of Health – National Institute on Aging (5R21AG029222-02, \$322,745). PI: Lesa Hoffman.

Key Personnel: Improving Adults' Reading Outcomes with Strategic Tutoring and Content Enhancement Routines (2007-2011). United States Department of Education, Institute of Educational Sciences (IES NCER), \$1,991,961. PI: Darryl Mellard.

AUTHORED BOOKS

Rupp, A., **Templin, J.**, & Henson, R. (2010). *Diagnostic Measurement: Theory, Methods, and Applications*. New York: Guilford. Winner of the 2012 American Educational Research Association Division D Award for Significant Contribution to Educational Measurement and Research Methodology.

EDITED MONOGRAPHS

Izsák, A., Remillard, J., & **Templin, J.** (Eds.) (2016). Psychometric methods in mathematics education: Opportunities, challenges, and interdisciplinary collaborations. *Journal of Research in Mathematics Education* Monograph Series No. 15. Reston, VA: National Council of Teachers of Mathematics. (Peer-reviewed)

AUTHORED R PACKAGES

Templin, J. (2020). *blatent: Bayesian latent variable models*. Retrievable from <https://cran.r-project.org/web/packages/blatent/index.html>.

PEER -REVIEWED PAPERS (* INDICATES WORK WITH ADVISEES, POSTDOCS, OR STUDENTS)

- Wang, X., & **Templin, J.** (2005, June). *Enhancing score feedback for Accuplacer tests with domain-based information – using elementary algebra as an example*. Paper presented at the annual meeting of the Accuplacer/WritePlacer Plus group.

- Templin, J., & Henson, R.** (2004, December). *Using cognitive diagnosis models for the measurement and evaluation of pathological gambling*. Poster presented at the annual meeting of the National Council for Responsible Gaming: Gambling and Addiction in Las Vegas, Nevada. Awarded top research prize.
- Templin, J., & Henson, R.** (2004, November). *Incorporating subjective probability into the design and development of cognitively diagnostic tests*. Poster presented at the annual meeting of the Society for Judgment and Decision Making in Minneapolis, Minnesota.
- Contractor, N., Brandon, D., Huang, M., Palazzolo, E., Steinley, D., Su, C., Suri, R., & **Templin, J.** (2004, November). *Extensions to information retrieval in transactive memory systems*. Paper presented at the annual meeting of the National Communication Association in Chicago, Illinois.
- Templin, J., & Henson, R.** (2004, September). *Using cognitive diagnosis models to analyze and diagnose psychological disorders*. Invited talk, Department of Psychology at the University of Illinois at Urbana-Champaign.
- DiBello, L., **Templin, J., & Henson, R.** (2004, June). *Large-scale student profile scoring: Applications to operational tests – next generation TOEFL*. Paper presented at the annual meeting of the Psychometric Society in Pacific Grove, California.
- Ho, A., Zapata, D., & **Templin, J.** (2004, June). *Large-scale student profile scoring: Fast classification and other operational issues for large scale testing*. Paper presented at the annual meeting of the Psychometric Society in Pacific Grove, California.
- Templin, J., He, X., Roussos, L., & Bolt, D.** (2004, April). *Polytomous (graded response) item and polytomous (graded) attribute scoring*. Paper presented at the annual meeting of the National Council on Measurement in Education in San Diego, California.
- Templin, J., Roussos, L., & Stout, W.** (2004, March). *Modeling ordered polytomous attributes through ordered dichotomous attributes*. Paper presented at Educational Testing Service, Princeton, New Jersey.
- Templin, J.** (2004, February). *Estimation of the reparameterized unified model using MCMC*. Invited talk, Department of Educational Psychology, the University of Illinois at Urbana-Champaign.
- Templin, J., Ho, M.-H., Anderson, C., & Wasserman, S.** (2003, August). *Mixed effects p^* model for multiple social networks*. Paper presented at the annual meeting of the American Statistical Association in San Francisco, California.
- Contractor, N., Palazzolo, E., Su, C., Ruta, D., Brandon, D., Huang, M., & **Templin, J.** (2003, February) *Multi-theoretical multi-level (MTML) models for understanding the emergence of knowledge networks*. Paper presented at the annual meeting of the International Sunbelt Social Network Society, Cancun, Mexico.

Templin, J., Budescu, D., & Wallsten, T. (2002, November). *Improving the quality of probability judgments by performance feedback*. Paper presented at the annual meeting of the Psychonomics Society in Kansas City, Missouri.

Palazzolo, E., Su, C., Ruta, D., Brandon, D., Huang, M., & **Templin, J.** (2002, September). *Understanding information retrieval between coworkers from a multi-theoretical framework*. Paper presented at the Organizational Communication Mini-Conference, Purdue University, West Lafayette, Indiana.

Templin, S., **Templin, J.**, & Jones, L. (2000, April). *The ecological validity of computer simulated roulette*. Paper presented at the annual meeting of the Rocky Mountain Psychological Association in Reno, Nevada.

Templin, J. (1998, April). *Big effect? Boosting GPA by 10 percent*. Poster presented at the annual meeting of the Western Psychological Association in Albuquerque, New Mexico.

ACADEMIC COURSES TAUGHT

Bayesian Psychometric Modeling (PSQF 7375; Spring 2018 and Fall 2022). University of Iowa: Department of Psychological and Quantitative Foundations: Educational Measurement and Statistics Program.

Clustered Multilevel Models (PSQF 6272, Fall 2021). University of Iowa: Educational Measurement and Statistics Program.

Research in Psychometrics (PSQF 7375, Spring 2021). University of Iowa: Educational Measurement and Statistics Program.

Diagnostic Testing (EPSY 932; Fall 2014, Fall 2016; PSQF 7375, Fall 2019). University of Kansas: Department of Educational Psychology: Research Evaluation, Measurement, and Statistics Program, and University of Iowa: Educational Measurement and Statistics Program.

Multivariate Analysis (EPSY 905; Spring 2018, Spring 2016, Spring 2014). University of Kansas: Department of Educational Psychology: Research Evaluation, Measurement, and Statistics Program.

Generalized Linear Mixed Models (EPSY 980; Fall 2015). University of Kansas: Department of Educational Psychology: Research Evaluation, Measurement, and Statistics Program.

Structural Equation Modeling (EPSY 906; Spring 2015 and Fall 2017). University of Kansas: Department of Educational Psychology: Research Evaluation, Measurement, and Statistics Program.

Fundamentals of Multivariate Modeling (PSYC 943; Fall 2012, Fall 2013). University of Nebraska-Lincoln: Cognitive and Quantitative Program.

Latent Trait Measurement and Structural Equation Models (PSYC 948, Spring 2013).
University of Nebraska-Lincoln: Cognitive and Quantitative Program.

Introduction to Structural Equation Modeling (ERSH 8750; Spring 2012). University of
Georgia: Research, Evaluation, Measurement, and Statistics Program.

Multivariate Methods in Education (ERSH 8350; Fall 2011). University of Georgia: Research,
Evaluation, Measurement, and Statistics Program.

Advanced Multivariate Statistical Methods (Summer; 2011). University of Michigan:
Interuniversity Consortium for Political and Social Research Summer Program.

Multilevel Modeling (EPSY 8990; Spring 2011). University of Georgia: Research, Evaluation,
Measurement, and Statistics Program.

Diagnostic Modeling (ERSH 9800; Fall 2008). University of Georgia: Research, Evaluation,
Measurement, and Statistics Program.

Applied Correlation and Regression Methods in Education (ERSH 8320; Fall 2007, Fall
2008) University of Georgia: Research, Evaluation, Measurement, and Statistics
Program.

Applied Analysis of Variance Methods in Education (ERSH 8310; Fall 2007; Fall 2009).
University of Georgia: Research, Evaluation, Measurement, and Statistics Program.

Statistical Methods in Psychology – II: General Linear Models (PSYC 791; Spring 2007).
University of Kansas: Department of Psychology, Quantitative Program.

Test Theory: Classical Test Theory, Item Response Theory, and Factor Analysis (PSYC
890; Spring 2006, Spring 2007). University of Kansas: Department of Psychology,
Quantitative Program.

Statistical Consulting (PSYC 993; Spring 2007). University of Kansas: Department of
Psychology, Quantitative Program.

Statistical Methods in Psychology – I: Basic Statistics and General Linear Models (PSYC
790; Fall 2006). University of Kansas: Department of Psychology, Quantitative Program.

Methods for Clustering and Classification (PSYC 993; Spring 2006). University of Kansas:
Department of Psychology, Quantitative Program.

Multivariate Analysis (PSYC 990; Fall 2005). University of Kansas: Department of
Psychology, Quantitative Program.

Applied Regression Analysis (EPSY 581; Spring 2005). University of Illinois at Urbana-
Champaign: Department of Educational Psychology.

STATISTICAL WORKSHOPS TAUGHT

Multilevel Models for Cross Sectional Data (July, 2015; July, 2014; July, 2013). University of Colorado at Boulder: Interuniversity Consortium for Political and Social Research Summer Short Course.

Item Response Theory (July, 2015; July, 2014; July, 2011). University of Michigan: Interuniversity Consortium for Political and Social Research Summer Short Course.

Item Response Theory (July, 2012). University of Colorado at Boulder: Interuniversity Consortium for Political and Social Research Summer Short Course.

Advanced Multivariate Statistical Models (June, 2012). The University of Georgia: Institute for Interdisciplinary Research in Education and Human Development.

Introduction to Multilevel Models (June, 2012). The University of Georgia: Institute for Interdisciplinary Research in Education and Human Development.

Diagnostic Classification Models (April, 2014). National Council on Measurement in Education conference in Philadelphia, PA. With Laine Bradshaw.

Diagnostic Classification Models (April, 2013). National Council on Measurement in Education conference in San Francisco, CA. With Laine Bradshaw.

Diagnostic Classification Models (April, 2012). National Council on Measurement in Education conference in Vancouver, BC. With Laine Bradshaw.

Diagnostic Classification Models (April, 2011). American Educational Research Association conference in New Orleans, LA. With Laine Bradshaw.

Diagnostic Classification Models (October, 2010). The University of Georgia. With Laine Bradshaw.

Diagnostic Classification Models (July, 2009). Metametrics, Incorporated.

Diagnostic Classification Models (April, 2009). University of Nebraska-Lincoln.

Hierarchical Linear Models (March, 2009). Language testing research colloquium in Denver, Colorado.

Hierarchical Linear Models (March, 2008). Measurement Incorporated. With R. Henson.

Cognitive Diagnosis Mini-Workshop (April, 2008). University of North Carolina at Greensboro. With T. Ackerman, R. Henson, J. de la Torre, E. Jang, and J. Willse.

Skills Diagnosis with Latent Variable Models (April, 2009; March, 2008; April 2007; April 2006; April 2005). National Council on Measurement in Education pre-conference workshop. With J. Douglas, R. Henson, J. de la Torre, and H.-H. Chang.

Item Response Theory (July, 2007). American Board of Internal Medicine. With W. Skorupski.

Item Response Theory (June, 2007). University of Kansas Summer Institute. With W. Skorupski.

Skills Diagnosis with Latent Variable Models (June, 2006). International Meeting of the Psychometric Society pre-conference workshop. With J. Douglas, R. Henson, J. de la Torre, and H.-H. Chang.

Social Network Analysis (June, 2003, June 2002). The Interuniversity Consortium for Political and Social Research (ICPSR). With S. Wasserman.

ACKNOWLEDGEMENTS AND FELLOWSHIPS

Campus-Wide Recognition for Teaching Excellence

- Applied Regression Analysis (Spring, 2005, Department of Educational Psychology, University of Illinois at Urbana-Champaign).

Best Poster, 2005

- Henson, R., & **Templin, J.** (2005, December). Extending cognitive diagnosis models to evaluate the validity of DSM criteria for the diagnosis of pathological gambling. Poster presented at the 2005 National Council for Responsible Gaming: Gambling and Addiction conference in Las Vegas, Nevada.

Best Poster, 2004

- **Templin, J.**, & Henson, R. (2004, December). Using cognitive diagnosis models for the measurement and evaluation of pathological gambling. Poster presented at the 2004 National Council for Responsible Gaming: Gambling and Addiction conference in Las Vegas, Nevada.

Pre-doctoral Fellow (July 2000 – June 2002)

- National Institute of Mental Health Quantitative Methods Training Grant. Department of Psychology, University of Illinois at Urbana-Champaign.

PROFESSIONAL AFFILIATIONS AND ACTIVITIES

Psychometric Society:

- **Editorial Council Member** (2011 – 2017)
- **Conference Organizer:** 75th International Meeting of the Psychometric Society at the University of Georgia in Athens, Georgia (July 2010)
- **Program and Conference Committee Member:** Psychometric Society (2008–2011)

American Educational Research Association (AERA):

- **Dissertation Award Committee:** Cognition and Assessment SIG (2019)
- **Program Co-Chair:** Division D, Section 2 – Statistics (2015-2016)
- **Chair and Founding Member:** Cognition and Assessment SIG (2006-2012)
- **Program Chair:** Cognition and Assessment Study Interest Group (2010)
- **Mentoring Committee:** Division D (2008-2010)

National Council on Measurement in Education (NCME):

- **Dissertation Award Committee** (2017-Present; Chair: 2021-2022)
- **Awards Committee Member** (2014-2016)
- **Awards Committee Chair** (2016)

American Psychological Association (APA):

- **Division 5 Representative:** Early Career Psychologists Network (2008-2010)

Society of Multivariate Experimental Psychology:

- **Conference Organizer:** 2023 Annual Meeting in Iowa City, Iowa
- **Member, Board of Trustees** (August 2019 – Present)
- **Coordinating Officer:** (January 2022 – Present)

UNIVERSITY OF IOWA SERVICE

Educational Measurement and Statistics Program

- **Program coordinator** (May 2019-Present)
- **Proseminar coordinator** (Fall 2022-Present)

Department of Psychological and Quantitative Foundations

- **Member:** Departmental Consulting Group (Fall 2022)
- **Chair:** Five-year Review Committee (Fall 2021-Spring 2022)
- **Junior Faculty Mentor** (Spring 2022)
- **Member:** Educational Psychology and Learning Sciences Search Committee (Fall 2021)
- **Member:** School Psychology Search Committee (Fall 2020)
- **Member:** Departmental Consulting Group (Fall 2019)

Center for Advanced Studies on Measurement and Assessment (CASMA)

- **Co-director** (January 2021-Present)

College of Education

- **Co-Chair:** Research Advisory Committee (Fall 2021-Present)
- **Member:** College Consulting Group Committee (Fall 2019-Present)
- **Chair:** College of Education Early Career Scholars Awards Committee (Fall 2021-Present)
- **Member:** College of Education Administrative Council (Spring 2019-Present)
- **Member:** Research Assistant Search Committee (Summer 2021-Spring 2022)
- **Chair:** College of Education Awards Committee (Spring 2021)
- **Member:** Educational Policy and Leadership Studies, Departmental Consulting Group (Fall 2021)
- **Member:** Educational Policy and Leadership Studies, Departmental Review Committee (Fall 2021)
- **Coordinator:** Statistics and Assessment Institute (Fall 2021-Spring 2022)
- **Junior Faculty Mentor** (Fall 2020)
- **Chair:** Mary Louise Petersen Search Committee (Fall 2019)

University

- **Member:** Iowa Measurement Research Foundation Board of Trustees (January 2019-Present)
- **Member:** P3 Partnerships Funding Committee (Fall 2021)
- **Member:** College of Liberal Arts and Sciences Review Committee (Fall 2021)
- **Presenter:** Information Technology Services High Performance Computing Workshop (Spring 2019)
